

## Half Naked

Half Naked is a local California valley band that has been playing together since January 1998. The band is made up by Guitarist: Lee Ho, Drummer: Jason Nickolaisen, Bassist: Ruben Luchesi, and fronted by female vocalist: Sarah Vogel. One thing is for certain, this band enjoys playing on stage together. Their live shows are fun and they have a wonderful chemistry with one another. Also they have a great following of loyal fans. Their music could be easily listened to on today's most popular radio stations. Their unique style in music is attributed to the wide range of music influence in each of the band members. All of the material performed by Half Naked is original and they do not perform cover tunes at this time. They currently have a Demo CD consisting of 5 of their more popular song, they go back into the recording studio every chance they get, just to add to the great list of original songs already recorded. As fans are consistently asking for more. Half Naked is ready to take on the world of music and show us everything!
